

Course Description:

In this class students will learn 21st century skills with Apple and Adobe industry standard equipment. The curriculum covers photography, graphic design, video editing, web design as well as newsletter production.

Materials:

Students will be provided with Canon DSLR cameras, Apple computers and Adobe Software (Photoshop and Lightroom) in class. Equipment must be used responsibly! Students will need paper and pencil for notes and sketching ideas.

Expectations:

- Be on time
- Clean up after yourself
- Be respectful towards your peers, teacher and the equipment.

Grades:

60% Projects
10% Studio Habits
30% Classwork
